

## Getting to Tweed Valley Hospital

The Tweed Valley Hospital is centrally located within the Tweed-Byron region at 771 Cudgen Road, Cudgen. Located close to the motorway and adjacent to Tweed Coast Road, the hospital is easily accessed by car and public transport.

### By car

Follow the M1 to Chinderah, and take the exit towards Cudgen/Kingscliff.

Continue on Tweed Coast Road and turn left at the intersection of Tweed Coast Road and Cudgen Road.

### Drop off areas and parking

Drop off bays are located at the hospital's three entrances; the main entrance, the emergency department, and the east entrance.

Staff, patients and visitors will have access to over 1,200 free on-site car parking spaces at the Tweed Valley Hospital. This includes a multi-deck car park, an at-grade car park, accessible parking spaces and short-term parking facilities.

There is long-term capacity for up to 1,500 car spaces on the Tweed Valley Hospital site.

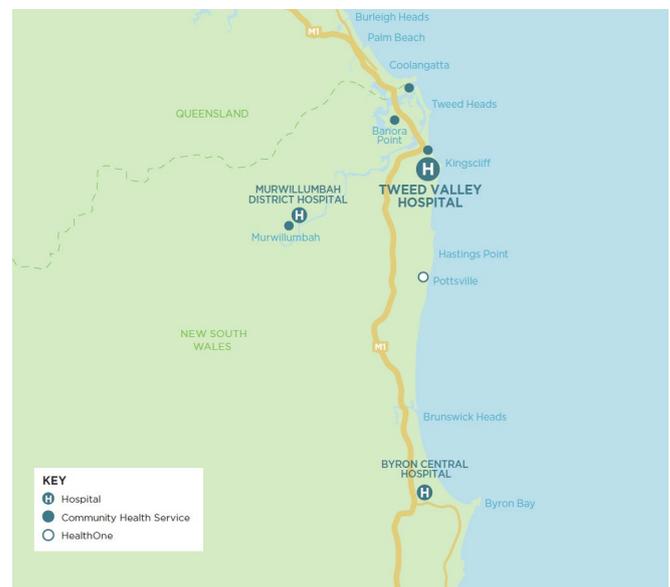

### Public transport

The Tweed Valley Hospital is located on a public transport route. Bus stops are located on both sides of Cudgen Road, directly in front of the hospital, with a pedestrian crossing at the traffic lights.

Tweed Shire's public bus network services the Tweed Valley Hospital on the following routes:

- Route 601 Tweed Heads West to Kingscliff TAFE and Tweed Valley Hospital. This service operates every 30 minutes, from 5am to 11pm weekdays.
- Route 603 Tweed City to Pottsville connects the Tweed Valley Hospital to the Tweed Coast suburbs. This service runs hourly everyday, from 5am to 9pm.
- Route 609 Murwillumbah to Kingscliff TAFE and Tweed Valley Hospital. This route has 5 weekday and 9 weekend services.

Plan your public transport journey at [www.transportnsw.info](http://www.transportnsw.info).

### Taxis and rideshares

A taxi rank is located at the main entry to Tweed Valley Hospital. Taxis and rideshare vehicles will be able to utilise this set down/pick up area.

### Active transport

The hospital connects with established pedestrian and cycle routes in the area.

In the multi-deck car park, there are end-of-trip facilities for staff which include secure bicycle parking, showers and toilets, changing room facilities and lockers; as well as power outlets in proximity to bicycle racks to enable bike charging for electric bikes.

There are also bicycle racks for public use located close to building entries.
