

WORKS NOTIFICATION

The NSW Government is investing \$723.3 million in health for the Tweed-Byron region, which includes construction of the new Tweed Valley Hospital. The new hospital is on track to open to patients late-2023.

Tweed Coast Road and Cudgen Road intersection upgrade works

This intersection is being upgraded to facilitate more efficient access to the hospital when it opens to patients. The upgrade works include the provision of additional turn lanes and turning capacity; road and surfacing improvements; lighting and traffic signals; and drainage and services installation.

These important intersection upgrade works are well underway and are expected to be completed early-mid 2023.

Works in December 2022

- Asphalt surfacing on Tweed Coast Rd and Cudgen Rd.
- Median island and footpaths.
- Traffic signals and linemarking.

NIGHTWORKS - commencing Sunday 4 December 2022

- **Night works** will commence on Sunday 4 December 2022 and continue for up to 3 weeks to seal road widenings, place asphalt, and commence traffic signals upgrading.
- These works are being undertaken at night to minimise the impact on traffic and pedestrians.
- Most of the works will be low impact, however lane and footpath closures will be in place. Traffic controllers will be onsite to guide traffic and pedestrians.

What to expect

- Traffic control measures including lane closures and diversions; with traffic controllers and police onsite during working hours to ensure the safety of workers and vehicles.
- A reduced speed limit of 40km/h will be in place on Tweed Coast Road and Cudgen Road in the vicinity of the road upgrade works.
- Short traffic delays may be experienced during this time. We apologise for any inconvenience and thank you for your patience while these important road upgrades are being undertaken.

Christmas shutdown

Work will finish for the year on Thursday 22 December, recommencing on 9 January 2023. On behalf of the project team, we wish you all a safe and happy festive season.

Keeping you informed

We are committed to keeping the local community informed about construction activities for the new Tweed Valley Hospital. We encourage you to register to receive works notifications at www.tweedvalleyhospital.health.nsw.gov.au or contact the project team for further information:
