Dear Ms ██████,

**Tweed Valley Hospital - Stage 2 (SSD 10353)  
Construction Environmental Management Plan and Sub-plans, Condition B13**

I refer to the Construction Environmental Management Plan (CEMP) and Sub-plans for the Tweed Valley Hospital Carpark, submitted to the Planning Secretary in accordance with condition B13 of the consent for the Tweed Valley Hospital - Stage 2 (SSD 10353).

I note that the CEMP package includes:

- Construction traffic and pedestrian management sub-plan as per condition B15 (Version 002 dated 03 December 2021)
- Construction Noise, dust and vibration management sub-plan as per condition B16 and B20 (Revision 2 dated 29 November 2021)
- Construction waste management sub-plan as per condition B17 (Revision 2 dated 26 November 2021)
- Construction soil and water management sub-plan as per condition B18 (Revision 1 dated 22 October 2021)
- Flood emergency response sub-plan condition B19 (Version 1 dated 17 November 2021)

I also note that the CEMP and sub-plans relate to the Carpark works, and that the requirements under B20 are addressed in the 'Air quality and dust management sub-plan' published on the Planning Portal on 15 October 2020 (including CEMP and sub-plans for the main works).

Accordingly, I acknowledge receipt of the Construction Environmental Management Plan, Revision 1 dated 4 December 2021, and related Sub-plans for the Tweed Valley Hospital Carpark for our information under condition B13 of SSD 10353.

Please note that if there is any inconsistency between the provided document and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions or would like to discuss this matter, please contact ██████████
